

CHOW BELLA The international influences are strong at the Fresh Pasta Company (Anglo-Italian owner, Peruvian chef) but the end product is reassuringly Italian – multi-award-winning, additive-free, fresh pasta including asparagus and pecorini tortelli, spinach, ricotta and walnut ravioli and handmade venison tortelloni. From £5.75 for 250g, available from aeron-finefoods.co.uk, Carluccio's, Fortnum's and Whole Foods (thefreshpastacompany.com).
